MEMORANDUM FOR: Acting Director of Central Intelligence  
THROUGH : Deputy Director (Support)  
SUBJECT : Proposal for a Luncheon for the Commandant of  
the National War College and his three Deputies  
on 9 September

1. This is a memorandum for action. The action recommended is contained in paragraph 4 below.

2. In considering the details of arrangements for the briefing of the National War College staff, faculty and student body on 9 September 1957, I thought you might like to invite Admiral Wooldridge and his three Deputies to luncheon with the Director, yourself and other officials of the Agency. I have attached a proposed guest list.

3. Since not all the people on the guest list will be making presentations, it will give them an opportunity to meet Admiral Wooldridge and his immediate staff. Further, the luncheon would offer an excellent opportunity for the Director, should he be unable to participate in the briefing, to receive and greet these important guests.

4. I recommend that you sign and forward the invitation attached as enclosure number 2 to the Commandant, National War College.
